## Parent testimonials for the parent & child group

*“Parent and Child is such a lovely, supportive and friendly group and it's much calmer than other children's play groups. My two little boys (23 months and 7 months) can play safely and independently. I look forward to the group each week!”* **Jane Johnston**

*“This group has been a very nurturing experience. Both me and my son have gained confidence from the space, the routine and the craft that is offered. It feels very safe for young toddlers and babies to explore and express themselves, which can be taken away into home life. I've enjoyed the experience so far, especially the craft time, which has inspired me to sew and be more creative.”* **Keira Moore (Isaac 2)**

*“Our group really celebrates the community of children and parents growing together. It's a safe environment where we can relax, be ourselves and enjoy being creative and exploring the world. A beautiful place to experience.”* **Karen Hickton, parent of Lennon Wilson**

*“A step outside the fast pace of modern life and noise, into a tranquil, natural beautiful environment of wooden toys, storytelling and gentle rhymes. I wish we didn't have to leave but we will be back next week for sure. And every week after...”*
